THIRTY-FIFTH ANNUAL REPORT
OF THE
Methodist Episcopal Home
FOR THE YEAR ENDING DECEMBER 31, 1902.

As we look over the record of our "Home" for 1902, it appears to have been, in some respects, a memorable year. We give thanks to Our Father for His blessings which have attended us in our work, and that our efforts for the comfort of God's aged children have met with success, and that none have suffered from epidemic or lack of fuel.

While our Treasurer has been able to meet every obligation presented, we still need the help and support of all loyal members and friends of our cause to a still greater extent than ever before, as our family is much larger than in former years.

Early in the year, small-pox being then epidemic in our city, it was thought best to have the "Home" in a state of quarantine, merely for the safety of the family, so all visiting to and from the "Home" was prohibited, and Chapel services by outside help discontinued temporarily; this condition lasted for two months, and we are glad to say, that no case of the disease appeared in our midst.

Through the efforts of Rev. S. W. Thomas, D.D., a life size bronze statue of Bishop Simpson, resting on a granite pedestal and erected on the "Home" grounds, was presented. This was unveiled by Mrs. C. W. Buoy, eldest daughter of Bishop Simpson, and dedicated by Bishop Foss, on Wednesday afternoon, April 2nd. The services, except the unveiling, were held in the Chapel, the day being bleak and cold.

Fourteen additional bed rooms, also lavatories, have been added in the west wing on the third floor, using the large sewing room for that purpose, and thus relieving the long waiting list of applicants by that number.

The Needle Work Guild held their annual meeting April 2nd, when they reported a large donation of useful articles for household use, also money.

Easter was appropriately celebrated, and the Chapel decorated with flowers and plants.

Memorial Day services were held, a short address suitable to the day delivered. Several of the children from the Orphanage were present and sang patriotic airs. The Circle from St John's were out, and treated all to ice cream, cake and strawberries.

Anniversary Day was a bright, warm June day. A large gathering was present, and the sum realized was very gratifying. The new rooms were completed and occupied by this time.

Halloween was also a pleasant time. Mr. Kehr sent a barrel of apples, Mrs. Kehr a crate of grapes, and through Mrs. Donnelly ginger cakes and grapes for the supper were provided.

Thanksgiving and New Year's, with extra menus for dinner, were quietly observed, Christmas Day being more generally celebrated. A large tree had been erected in the Chapel and very beautifully trimmed by Miss Harris, Miss M. McDowell, John and some of the Executive Committee. A number of the Churches sent gifts to their members, and a gentleman from Germantown gave a present to every one who was not otherwise remembered, so that none were missed. The dining room was trimmed with wreaths and festoons of green, the tables with holly. The Christmas dinner, amidst these pleasant surroundings, was truly enjoyed. The expressions of pleasure from a number of the family indicated that they had "A Happy Christmas",

Miss Harris, Matron and Miss McDowell, Assistant, have both proved very capable in their care and oversight of the "Home", everything moving harmoniously. Mrs. Chesebrough and her kindly spirit still prevades the home circle. On account of illness, Miss Harris was compelled to be absent from her post of duty for a month, Miss McDowell attending to the Matron's duties during her absence.

Robert Foster, our faithful engineer, who has many times in the past proved himself our friend, still gives evidence of his careful attention to the needs of the "Home". By his thoughtfulness and foresight he secured all of the winter coal at the regular rates, so that the "Home" did not suffer a day from the long coal strike. He also secured, without any expense to us, enough earth from the filtration plant to fill in all of the low places on our property. The Managers, wishing to show some token of appreciation for his many thoughtful acts, at the December meeting voted him an increase of salary, to date from January 1st, 1903.

Our President, Mrs. Chubb, whom we missed from our Annual Meeting last year, and whose health at that time was far from good, we are rejoiced to know is apparently again in full vigor, and still manifests her interest and love for the "Home" and all therein, frequently providing some special treat for them.

Both our Recording Secretary and Treasurer have been unremitting in their faithful attention to their respective duties, neither being absent from a meeting during the year; and a look at the itemized reports of the Treasurer and also of the Treasurer of the Purchasing Committee, will show their work carefully and accurately done. The Treasurer has received during the year from all sources \$26,017.25.

On April 8th, Mrs. John Parker, one of our early and very efficient, indefatigable workers for the "Home" and Orphanage, was called from labor to reward, the summons coming quickly and suddenly during the night. For her there were no long hours of pain and suffering, simply a gentle call: "Child, come home. It is enough, come up higher."

Death has been busy and removed several more of our active Managers. Mrs. Combes, of Tabernacle; Mrs. Woddrop, of First Church, Germantown; Mrs. Mann, of Siloam; Mrs. Bullen, of St. Paul's; Miss Earp, of Trinity; Mrs. Smith, of Twentieth St. and Mrs. Boring, of Union, while in the families of many others some loved one is missed.

Mrs. Jacob Potter, one of our Honorary Managers, and also one of the first Managers from Ebenezer Church, died October 13th 1901. She was a valued and faithful manager.

Mrs. James H. Bryson, one of our earliest and oldest workers, and who this year was made an Honorary Vice-President, has been compelled, by the infirmities of age, to retire from the work in which she so long took delight.

The Executive Committee, in their weekly visits, report the "Home" as being in good condition and the health of the family satisfactory. Mrs. Langdon, of Trinity, was made Secretary of the Committee, to fill the vacancy caused by the death of Mrs. Parker.

Number of inmates at the beginning of year,	130
Admitted during the year,	26
Deceased,	12
Number of inmates at close of year,	140

The Purchasing Committee have expended for supplies for the "Home" during the year \$19,732.39. (See itemized report).

The Committee on Sick have faithfully attended to their duties, ministering to those who needed their comfort and sympathy, and several times treated those in the Infirmary to ice cream and cake. Two of the oldest inmates have gone to their Heavenly Home, Mrs. Jane Jenkins, 104 years, and Elizabeth Keel, 98 years old. The Committee report the family unusually well this year, and extend thanks to the physicians, who have given their services so faithfully.

The Committee on Public Worship has endeavored to have services regularly during the year, but for two months, while the "Home" was quarantined, services were suspended, except such as could be conducted by some of the family. We were very glad when they could be resumed, as these services are something for the old people to look forward to, and there is great disappointment when a preacher fails to keep his engagement. Our thanks are due to the ladies from Twenty-Ninth Street Church and to Miss Duval of Wharton Street, who have had charge of the music and singing. Communion, Love feast and classes have been held regularly.

The Reading and Library Committee have visited the "Home" and by reading to those who were unable to do it for themselves brightened some hours each week by this service.

The Sewing Committee each month have looked after the needs of the family in making clothing, and the Wardrobe Committee in distributing the same to those needing it.

The Printing Committee give careful attention to the difficult work of preparing the Annual Report for publication.

The Committee on Salable articles have had a most successful year. They have been able to pay over to the Treasurer more than double the amount paid in 1901. The net receipts from January to October, inclusive, were \$273.65 and from the dinner on November 4th, the net profit was \$434.60, making a grand total of \$708.25.

Bequests amounting to \$6,919.23 have been paid over to the Treasurer of the Board of Managers during the year.

The Memorial Committee has prepared and read several able memorials of our deceased fellow-workers, and bespeaking for their families our Christian sympathy and love.

The Auditing Committee report the books of both the Treasurer of the Board and Treasurer of the Purchasing Committee, as correct in every particular.

Committee on Application report having visited 31 applicants, received 27, not accepted 2, and 2 cases laid over.

Committee for Organizing Auxiliaries, report two new auxiliaries, one at Emmanuel, Roxborough, and one at Tacony.

The Furnishing Committee have received the sum of \$650 for furnishing the new bedrooms in the west wing from the following:

Mrs. John Trenwith,	\$50
Mrs. Lydia Kenworthy,	50
Mrs. Joseph Bacon,	50
Mr. E. Hubbard,	50
Mrs. Cordelia Ristine,	50
Mr. T. C. Hunter,	50
Miss Rebecca Stafford,	50
Mrs. Chesebrough,	50
Mrs. Rebecca Wright,	50
Mr. Walter Bradley,	50
Mrs. Winfield Allen,	50
Summerfield Church,	50
Miss Emma Williams,	50

There is still one room in the men's department to be furnished.

During the summer the old people were given free rides through the Park by the kindness of the Superintendent of the Park trolley.

Through Mr. Vogdes electric lights were placed in front of the "Home." Besides adding to the beauty of the building they are also a protection, as they burn all night.

Several very generous donations were received from churches who had held Harvest Homes, and also from individuals, which are all noticed in the Matron's report.

In closing this record, let us at the beginning of another year's work, and all through the year, be more diligent, using our best efforts in making the coming one a still greater success than ever before, and may we all resolve to

"Do some little thing for the Master,
No matter how lowly it seems;
A tear, a song, or a message,
To shed o'er some pathway, love's beams.
To bear the crosses he sends us,
To feel for the touch of His hand.
To follow where His feet shall guide us,
The path to the promised land."

MRS. R. S. MCCOMBS,
Corresponding Secretary.

Auxiliaries whose money was received too late for Treasurer's report:
Ridge Avenue and Roxborough.

Auxiliaries making no report at all: Mount Carmel and Sanctuary.

Report of the Secretary of the Needlework Guild.

Again we come to an anniversary of the Needlework Guild, the third in the history of the organization.

It is with heartfelt gratitude to the "Giver of every good and perfect gift" and thanks to our co-workers that we are able to give the following facts and figures, showing the gratifying increase of the work of the Guild for the year just closed.

Through the efforts of the members of the Guild there has been collected and placed upon the shelves of the Home wardrobe one thousand and forty-three articles of wearing apparel and household utility and in addition the goodly sum of fifty-two dollars and fifty cents (\$52.50) in cash, which was in part spent for table linen for the use of the household.

Our workers have done well, but let us not be satisfied with past successes but put our "shoulder to the wheel" and move on to better results in the future, and let every member of the Guild determine to make the coming year a more decided success than any that has passed.

Let us not leave the object of the Guild in the background for eleven months in the year and leave to the twelfth the work of bringing up the standard of the work, but throughout the entire year urge upon our friends the needs of the Home, and in season and out of season talk Guild, and secure donations at all times and thus bring up the grand total. Let the Directresses use their influence to organize churches that are not already members of the Guild, and let us not regard it as simply an adjunct but a vital interest in the Home work.

We regret that in His Providence it has pleased our Heavenly Father to remove Miss Virginia Earp from our corps of workers and called her to her reward. Let us be found working, as we "know not the day nor the hour wherein the Son of Man cometh."

MRS. H. S. PRICKETT,
Secretary.
